MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Approval of Candidates for Senior Officer Schools,
1973-74

1. This memorandum recommends the approval of the selections listed in paragraph 4.

2. The Training Selection Board met on 2 August to consider candidates nominated by the Directorates for attendance at the 1973-74 sessions of the senior military colleges, the Senior Seminar in Foreign Policy at the Department of State, and the Advanced Management Program and Program for Management Development at Harvard. The Board carefully studied and evaluated the qualifications of the candidates, including a review of official personnel folders. In addition, we are processing the slate of candidates through the Special Activities Staff of the Office of Personnel.

3.

[REDACTED] For the first time in the Board's history, a woman was nominated to attend a senior service school, specifically the National War College. She was selected as the first alternate and we hope that if a space does not become available for her, she will be proposed again next year. In our final decisions, the appropriateness of the proposed training and benefit to the Agency and to the individual weighed heavily, and we believe that the officers recommended for your approval will prove to be fine Agency representatives.

4. I recommend your approval of the following candidates for attendance at the schools indicated:
